§ 1049.1 Purpose.

The purpose of these guidelines is to set forth internal Department of Energy (DOE) security policies and procedures regarding the exercise of arrest authority and the use of force by DOE employees and DOE contractor and subcontractor employees while discharging their official duties pursuant to section 661 of the Department of Energy Organization Act.

§ 1049.2 Scope.

These guidelines apply to the exercise of arrest authority and the use of force, as authorized by section 661 of the Department of Energy Organization Act, as amended, 42 U.S.C. 7101 *et seq.*, by employees of DOE and employees of DOE's SPR security contractor and subcontractor. These policies and procedures apply with respect to the protection of:

(a) The SPR and its storage or related facilities; and

(b) Persons upon the SPR or its storage or related facilities.

§ 1049.3 Definitions.

(a) *Act* means sections 661 of the Department of Energy Organization Act, as amended, (42 U.S.C. 7270a).

(b) *Arrest* means an act resulting in the restriction of a person's movement, other than a brief consensual detention for purposes of questioning about a person's identity and requesting identification, accomplished by means of force or show of authority under circumstances that would lead a reasonable person to believe that he was not free to leave the presence of the officer.

(c) *Contractor* means a contractor or subcontractor at any tier.

(d) *Deadly force* means that force which a reasonable person would consider likely to cause death or serious bodily harm.

(e) *Protective Force Officer* means a person designated by DOE to carry firearms pursuant to section 661 of the Act.

(f) *SPR* means the Strategic Petroleum Reserve, its storage or related facilities, and real property subject to the jurisdiction or administration, or in the custody of the Department of Energy under part B of title I of the Energy Policy and Conservation Act (42 U.S.C. 6231-6247).

(g) *Suspect* means a person who is subject to arrest by a Protective Force Officer as provided in these guidelines.

§ 1049.4 Arrest authority.

(a) Under the Act, the authority of a DOE Protective Force Officer to arrest without warrant is to be exercised only in the performance of official duties of protecting the SPR and persons within or upon the SPR.

(b) A Protective Force Officer is authorized to make an arrest for a felony committed in violation of laws of the United States, or for a misdemeanor committed in violation of laws of the United States if the offense is committed in the officer's presence.

(c) A Protective Force Officer also is authorized to make an arrest for a felony committed in violation of laws of the United States if the Officer has reasonable grounds to believe that the felony has been committed, or that the suspect is committing the felony, and is in the immediate area of the felony or is fleeing the immediate area of the felony. "Reasonable grounds to believe" means that the facts and circumstances within the knowledge of

§ 1049.5

the Protective Force Officer at the moment of arrest, and of which the Protective Force Officer has reasonably trustworthy information, would be sufficient to cause a prudent person to believe that the suspect had committed or was committing a felony.

§ 1049.5 Exercise of arrest authority— General guidelines.

(a) In making an arrest, and before taking a person into custody, the Protective Force Officer should:

(1) Announce the Protective Force Officer's authority (*e.g.*, by identifying himself as an SPR Protective Force Officer);

(2) State that the suspect is under arrest; and

(3) Inform the suspect of the crime for which the suspect is being arrested. If the circumstances are such that making these announcements would be useless or dangerous to the Officer or to another person, the Protective Force Officer may dispense with these announcements.

(b) At the time and place of arrest, the Protective Force Officer may search the person arrested for weapons and criminal evidence, and may search the area into which the person arrested might reach to obtain a weapon to destroy evidence.

(c) After the arrest is effected, the person arrested shall be advised of his constitutional right against self-incrimination ("*Miranda* warnings"). If the circumstances are such that immediately advising the person arrested of this right would result in imminent danger to the Officer or other persons, the Protective Force Officer may postpone this requirement. The person arrested shall be advised of this right as soon as practicable after the imminent danger has passed.

(d) As soon as practicable after the arrest is effected, custody of the person arrested should be transferred to other Federal law enforcement personnel (*e.g.*, U.S. Marshals or FBI agents) or to local law enforcement personnel, as appropriate, in order to ensure that the person is brought before a magistrate without unnecessary delay.

(e) Ordinarily, the person arrested shall not be questioned or required to

10 CFR Ch. X (1–1–05 Edition)

sign written statements unless such questioning is:

(1) Necessary to establish the identity of the person arrested and the purpose for which such person is within or upon the SPR;

(2) Necessary to avert an immediate threat to security or safety (*e.g.*, to locate a bomb); or

(3) Authorized by other Federal law enforcement personnel or local law enforcement personnel responsible for investigating the alleged crime.

§ 1049.6 Exercise of arrest authority— Use of non-deadly force.

(a) When a Protective Force Officer is authorized to make an arrest as provided in the Act, the Protective Force Officer may use only that degree of non-deadly force that is reasonable and necessary to apprehend and arrest the suspect in order to prevent escape or to defend the Protective Force Officer or other persons from what the Officer reasonably believes to be the use or threat of imminent use of non-deadly force by the suspect. Verbal abuse by the suspect, in itself, is not a basis for the use of non-deadly force by a Protective Force Officer under any circumstances.

(b) Protective Force Officers should consult the local DOE Office of Chief Counsel and contractor legal counsel for additional guidance on the use of non-deadly force in the exercise of arrest authority, as appropriate.

§ 1049.7 Exercise of arrest authority— Use of deadly force.

(a) The use of deadly force is authorized only under exigent circumstances where the Protective Force Officer reasonably believes that such force is necessary to:

(1) Protect himself from an imminent threat of death or from serious bodily harm;

(2) Protect any person or persons in or upon the SPR from an imminent threat of death or serious bodily harm.

(b) If circumstances require the use of a firearm by a Protective Force Officer, the Officer shall give a verbal warning (*e.g.*, an order to halt), if feasible. A Protective Force Officer shall not fire warning shots under any circumstances.
